

Help Scott County Be Prepared!

Volunteer for the Scott County Medical Reserve Corps (MRC)!

The mission of the MRC is to engage volunteers to strengthen public health, emergency response and community resiliency. Volunteers are asked to donate their time and expertise in various roles depending on your background, interests, and the needs of the Scott County MRC unit. MRC volunteers are needed for both non-emergency and emergency events.

Scott County MRC is looking for practicing and retired licensed health care professionals, public health professionals, mental health professionals, and other skilled personnel (i.e. interpreters, support staff, Information technology, financial, maintenance, clergy, etc.); there is a role for everyone in MRC.

To volunteer: Go to www.mnresponds.org and register

For more information or questions contact: **Alexa Rundquist at Scott County Public Health, arundquist@co.scott.mn.us or 952-496-8530.**
