

When others are seeking shelter, Scott County
SAFCOM members are watching the skies!

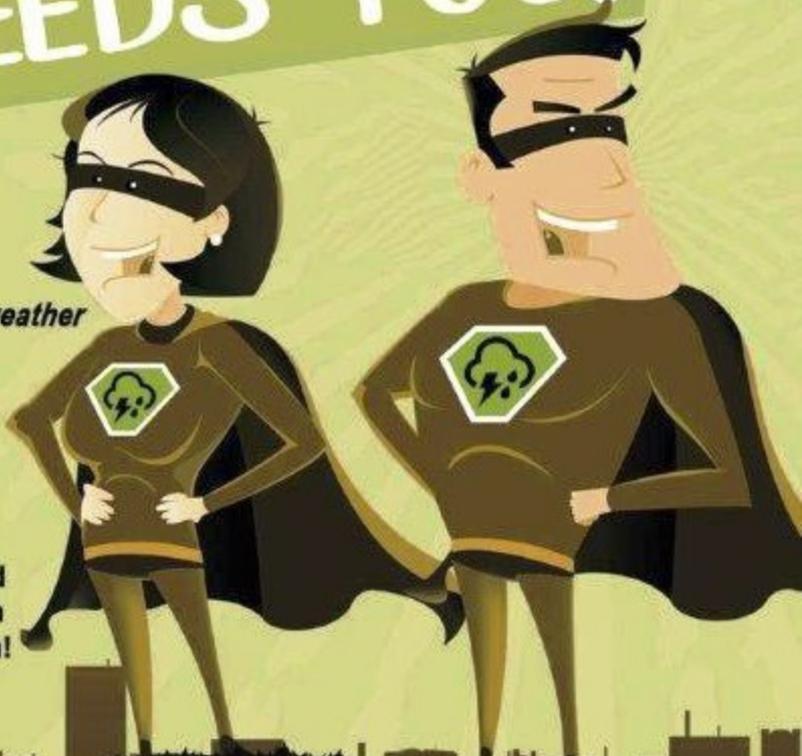

YOUR COMMUNITY NEEDS YOU!

IF YOU HAVE:

- ✓ *courage*
- ✓ *integrity*
- ✓ *passion for weather*

Scott County
Emergency
Management
wants you!

We are currently
seeking dedicated
individuals to join
our SAFCOM team!

The feedback these SkyWarn
trained spotters provide helps
determine whether or not outdoor warning
sirens go off, the direction and potential
impact of the storm, and reporting on
conditions on the ground once the storm
has passed.

SKYWARN
